MA&UD Department – Swachha Andhra Corporation – Remediation of existing MSW dumpsite through Bio-Mining Process in ULBs with below 1 lakh population – Formation of clusters of existing dumpsites – Re-Constitution of Committees – Orders – Issued.

MUNICIPAL ADMINISTRATION AND URBAN DEVELOPMENT (UBS) DEPARTMENT

G.O.Rt.No.615 Dated:24.08.2022

Read the following:-

1. G.O.Rt.No.103, MA & UD (UBS) Department, Dated: 12-03-2021.
2. Received e-file bearing Computer No. 1743244 from the Managing Director, SAC, Vijayawada, Dated 15-06-2022

*** ***

O R D E R:

In the reference 1st read above, Government have issued orders for constitution of the several committees i.e., (1) Survey & Quantification of Garbage in all the Legacy Waste Landfills (2) Tender Committee (3) Tender Approval Committee and (4) District Monitoring Committees for scrutiny of the tenders floated on RFP for Remediation of existing MSW dumpsite through Bio-Mining Process in all ULBs.

2. In the reference 2nd read above, the Managing Director, SAC, Vijayawada has stated that the ULBs where Bio-Mining is suggested are all Non-AMRUT and under 1 lakh population. Quantity of legacy waste is generally low in Non-AMRUT cities. The tentative tipping fees for legacy waste processing of 1 ton of legacy waste can range from Rs. 700-900 and will be expensive. Therefore, he has suggested for ease in clearing of dumping sites with an economic viability is a clustered based approach where the quantity of cumulative waste is huge and expenditure shall be viable in clearing the wastes and clustering of the below mentioned 92 ULBs are done on the basis of allocation of at least 1,80,000 MT of legacy waste for each cluster and the distance between ULBs are from 35km to 70km and sought for Government orders for re-constitution of Committees on Bio-Mining of Legacy Waste in 92 ULBs where the Population below 1 Lakh under Swachh Bharat Mission Urban Phase II due to formation of clusters of existing dumpsites.

3. Government after careful examination of the proposal of the Managing Director, SAC and in partial modification of the orders issued vide reference 1st read above, hereby constitute the following Committees for Remediation of existing MSW dumpsites through Bio-Mining process in 92 Urban Local Bodies where the below 1 lakh population to float RFP to get the existing old legacy dumpsites cleared:
